THE UNFITTED KITCHEN CO

Designed by Johnny Grey Studios

WALL MOUNTED

SPICE AND CONDIMENTS CUPBOARD

Every kitchen needs space for a selection of spices and sauces, sometimes a large one.

This spice cupboard delivers around 6 metres of linear shelf space. Its six shelves are narrow for visibility, with a wooden surface tray at the bottom for resting items in transit – helpful while following a recipe.

Metal doors are easy to clean, the decorative perforations making this a fun item to hang on your wall.

At 680mm wide it fits into narrow locations.
