KITCHEN CO

Designed by Johnny Grey Studios

WALL MOUNTED

CIRCULAR WALL CUPBOARD

Eye catching, shallow and compact.

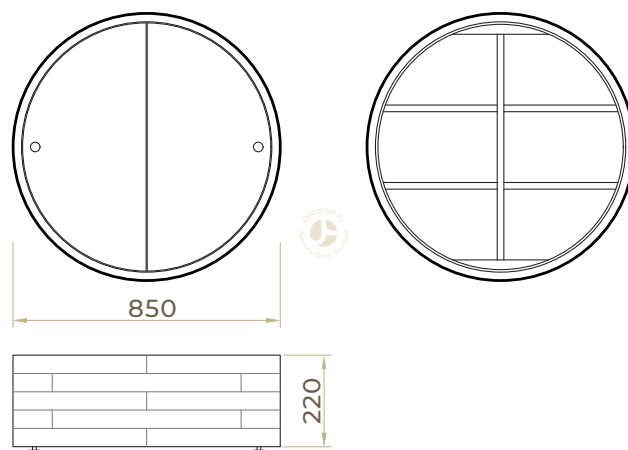

This cupboard is a handy storage space for tea, coffee, glasses or cupboards where all are visible at a glance.

At 750mm diameter, it can be placed above base cabinetry individually or in pairs and makes a nice blast of colour. The external frame is painted.

A great option is to choose the LED lighting strip hidden at the back. It's light weight on the wall and make it look as if it is floating.
