# HANGING GANTRY FOR CENTRAL ISLAND

**The shape traces the footprint of the island, pairing it at eye level.**

It provides essential lighting so you do not work in your shadow. The bars can hang culinary tools and elegant pans.

Available with a ducting extractor or recirculation only.

## Options

A simple rack incorporating lighting and hanging utensils, or one with a tubular-shaped extractor for recirculating air or direct ducting to the outside.

## Dimensions

**Width:** {x} 1500 mm

**Depth:** {x} 500 mm
